Archbishop Marcel Gervais to give fifteenth Kelly Lecture

The fifteenth annual Kelly Theological Lecture will be given by the Most Reverend Marcel Gervais, D.D., Archbishop of Ottawa, at 8:00 P.M. on 9 March 1995 in the Assembly Hall, Brennan Hall. The title of Archbishop Gervais's lecture is "Democratization in a Hierarchical Church."

After his ordination to the Priesthood, Archbishop Gervais went to Rome for further studies at the Angelicum and at the Pontifical Biblical Institute; he then undertook further studies at the Ecole biblique in Jerusalem.

Having completed his studies, he was appointed to London, Ont., where he served as Professor of Sacred Scriptures at St. Peter's Seminary, was Director of the Divine Word International Centre of Religious Education, published the ten-lesson Bible study programme *Journey* (now translated into fourteen languages), and was a much sought after, and appreciated, Retreat Director.

In 1980 he was ordained Bishop and served as Auxiliary Bishop of London until 1985, when he was appointed Bishop of Sault St. Marie, Ont., where he instituted a synodal process intended to enhance the role of the laity. In September of 1989 he was appointed Archbishop of Ottawa, where he has continued to implement the teachings of the Second Vatican Council, with special attention to the role of the laity.

In 1991, the Archbishop was elected to a two-year term as President of the Canadian Conference of Catholic Bishops.

In October of this year the Catholic Educational Foundation of Ontario awarded Archbishop Gervais the 1994 Medal of Honour,

giving special recognition to the educational contributions he has made, not only through his formal academic career as professor and administrator and through the *Journey* programme, but also through the leadership and guidance he has provided throughout his priestly life to Catholic educators, as well as his involvement in the development of the Christian Family Life programme now used in Catholic schools.

The Kelly Lecture Committee and the St. Michael's community are most fortunate that Archbishop Gervais has accepted our invitation to give the 1995 Kelly Lecture and chosen a topic of such interest and challenge. The lecture will be followed by a question period and then a reception in Brennan Lounge in the Odette Centre.

Career consultant speaks to Young Alumni

On 8 November the St. Michael's Young Alumni sponsored a Career Search Night, featuring Janis Foord Kirk, Career Management Consultant. She spoke to about 50 interested recent graduates and 3rd and 4th year students about the challenges of a job search in the Nineties.

Janis' talk reflected her sensitivity to the frustrations experienced in selecting a career and finding work. She answered questions helpfully at the end, and was assisted by Linda Calvert, from the UoT Career Centre.

All who attended were pleased with the forum, and encouraged Young Alumni to

The '94-'95 Annual Fund: nail-biting time

First of all, a hardy "thank you" to all who have made a gift to this year's St. Michael's Annual Fund. You know how important the Annual Fund is to many of the spiritual, academic, cultural, social, and athletic programmes and activities so necessary in preserving that special character that makes St. Michael's unique on the UoT campus and gives added value to your own university degree.

I would remind those who have not as yet made a '94-'95 Annual Fund gift of what St. Michael's Principal Joseph Boyle and President Richard Alway have said quite plainly on more than one

Santa Claus was kind enough to stop in at the Alumni-sponsored pre-Santa Claus Parade gathering in Brennan Lounge after the Student-Alumni Mass on November 20, 1994. He handed out candy, chatted with the children and adults, and prepared the crowd for the parade.

St. Michael's College: Spring, Memories, Celebration

SMC

Think of St. Mike's in springtime. If you're a recent graduate you may still be weaning yourself off those feelings of stress, self-pity and extreme deadline-anxiety over the work yet to be done as year-end approached.

Not to worry! Soon, as for older SMC grads, spring will evoke happy, pleasant memories of your days at SMC: the M&D Society, Tea Dances at the Newman Centre, the Bay

Bloor and the King Cole Room, *Miketies*, the Mulock Cup, Kelly's Korner, SMCSU, the MIKE, Dial-a-Beau, residence and Double Blue formals, and even the all-nighters you and your buddies pulled that included endless trips to some or other source of life-sustaining snacks and coffee.

We all have clubs, committees, teams and friends from St. Mike's that will always be a part of us. They gave us a sense of belonging, great times and great memories that we'll never forget. And to help you "never to forget," the Alumni Association is inviting you to celebrate springtime and memories of St. Mike's at a gala get-together on Saturday, May 27, 1995 at Brennan Hall and the back campus from 2 to 6 p.m.

You will be able to sample some of Toronto's tastiest gourmet treats, taste wines from around the world, gaze at some wonderfully funny (perhaps embarrassing?) displays of memorabilia from days gone by and maybe pick up an item or two at our silent auction. Best of all, you'll be back on campus with your old SMC pals.

Gail Sullivan Horan 6T6 and Mary-Ellen Regan Burns 7T0 are coordinators of the event, but they can't do it alone! They would love to hear from anyone interested in being involved with the event organiza-

tion - whether it is time, expertise, auction items or other donations you would like to make - **they need you!** Likewise, if you have pictures, costumes, posters or any other memorabilia you would like to share, please let us know - we promise to return them.

Call us at 926-7260 to find out more about how you can get involved. To reserve your spot, please fill out and return the form below, with your cheque made out to "St. Michael's: Spring, Memories, Celebration", or use your *Visa* or *MasterCard*; tickets are only \$25.

Remember - 27 May, SMC: Spring, Memories, Celebration - bringing you back to some of the best times of your life.

Faculty of Theology Convocation

Cardinal Gerald Emmett Carter, Chancellor of the University of St. Michael's College and Archbishop Emeritus of Toronto, presided over the thirty-ninth Theology Convocation of the University of St. Michael's College on 26 November 1994.

St. Basil's Church was filled with family, faculty, and other friends of the more than sixty successful candidates as Cardinal Carter presented Diplomas in Theology and in Religious Studies and conferred degrees of Doctor of Philosophy in Theology and Master of Arts in Theology, Master of Arts in Theology and Jewish Studies, and Master of Theological Studies. In conferring the joint St. Michael's-University of Toronto degrees of Doctor of Theology, Doctor of Ministry, Master of Theology, Master of Divinity, and Master of Religious Education, Cardinal Carter was joined by Professor John Baird, Associate Dean of the UofT School of Graduate Studies, representing Mrs. Rose

Wolfe, Chancellor of the University of Toronto.

Cardinal Carter conferred honorary doctorates upon Father Matthew Mulcahy, C.S.B. 3T2, teacher, academic administrator, and pioneer educator, upon Sister Mary Beth Montcalm, C.S.J., academician, administrator, and General Superior, Sisters of St. Joseph of Toronto, and upon Sylvia Pegis Santin 6T0, educator, and General Secretary of the Ontario Conference of Catholic Bishops.

Sister Mary Beth Montcalm began her Convocation address with a quotation from Mae West, and reflected on the creative tension that develops between idealism and realism as one becomes involved in day-to-day life,

and on the need to be open to what might be called a "realistic idealism." The celebration continued at a reception for the graduates and their families and friends in Brennan Lounge of the Odette Centre.

A great day for Celtic studies at St. Michael's

Thursday 23 August 1994 was a great day for the St. Michael's Celtic Studies programme. On that day, Ireland's President, Mary Robinson, received an honorary doctoral degree from the University of Toronto at a special Convocation held before a capacity audience in the Great Hall of Hart House. One of the presenters of President Robinson was St. Michael's Professor Ann Dooley, Co-ordinator of the St. Michael's Celtic Studies programme.

The only other degree recipients on the occasion were three St. Michael's students graduating in Celtic Studies who had chosen to receive their B.A. degrees at this special Convocation.

In her address to Convocation, President Robinson praised the St. Michael's Celtic Studies programme and expressed her pride in sharing the occasion with the three St.

Michael's students.

It was, indeed, a great day for the Irish and for Celtic Studies at St. Michael's, but it was also a great day for donors to the St. Michael's Annual Fund, for they too can be proud of the Celtic Studies programme because it is supported in large measure by their gifts to the Annual Fund.

occasion: without the strong support of the Annual Fund, funding adequate for maintaining the quality of our highly regarded academic programmes in Christianity and Culture and in Celtic Studies, for the continuance of all present Chaplaincy programmes, for certain scholarships and bursaries, and for a variety of worthwhile and fruitful student activities would just not be available. St. Michael's is blessed with fine students; through the Annual Fund you play a direct role in their obtaining an excellent, balanced, Catholic university education.

At present, with but a little over two months to go, we are 477 donors and some \$50,000 less than we were at this time last year and over \$150,000 short of our \$600,000 goal--a goal we have achieved in the past few years. Previous Annual Fund donors who have not as yet made their '94-95 gift will soon be contacted by mail and by phone.

Please respond positively, and as generously as you can. The money St. Michael's is asking you for through the Annual Fund is needed to help meet this academic year's essential costs. Please help! As in past years, we can reach our goal again this year!

New Sablé Centre opened in John M. Kelly Library

In 1967 Father Joseph Sablé, Professor at the Institut Catholique de Paris, accepted the invitation of the then St. Michael's French Department Head Father Richard Donovan, C.S.B. 4T7, to come to the College as visiting professor. In 1971 Father Sablé returned to take up a full-time appointment, which he held until retirement in 1984. From that time on he began to transfer from France to the John M. Kelly Library at St. Michael's the extensive and unique collection of printed material relating to the Nineteenth-Century French Romantic period which he had been gathering for over forty years—and is still gathering! Readers of this newsletter have already read of the extraordinary "Sablé Collection" and of the Frank Smith Memorial Collection which forms part of it.

The continuing generosity and dedication of Father Sablé, combined with the cooperative efforts of the administration of St. Michael's and of the Kelly Library and with

the French Department of the University of Toronto, resulted on 9 November 1994 in the official opening of the *Centre d'Etudes romantiques Joseph Sablé*. The Centre, a joint academic venture of St. Michael's and the University, is situated in the Kelly Library and has already attracted graduate students and professors from universities other than the UofT, and is the site of special courses and lectures.

Professor Graham Falconer, Director of the new Centre, speaks of it as "one of the most exciting things that has happened in the Department of French over the past 25 years," and Professor Paul Perron, Chair of the UofT De-

CAMPUS NOTES

The unique academic orientation offered by the College on two Saturdays in July for newly admitted students was well attended and much appreciated by the students. The more "social" Orientation took place 6-9 September and featured several social activities, campus tours and general University events. The first day of the September Orientation began with Mass in St. Basil's Church and included a special afternoon Victoria-St. Michael's Orientation Convocation presided over by UoT President Robert Prichard and addressed by Vice

graduate Margaret Atwood, whose witty and pointed remarks were delivered in verse. ➔

◀ On Sunday 25 September St. Michael's again hosted a "Parent Orientation Day" for parents of our first-year students. Over four-hundred attended the day, which began with a student-faculty-parent Mass in the Assembly Hall, followed by a light brunch sponsored by the Alumni Association, then presentations about the College and college life by Principal Joseph Boyle and President Richard Alway, and some words of advice and wisdom to the "first-year parents" from Marcella Sorbara Tanzola 6T5, herself a parent of a former, and successful, first-year student. The day concluded with a ceremony at which more than one-hundred first-year students received entrance scholarships and awards. ➔

16-18 September St. Michael's was the site of the "The Chesterton Review 20th Anniversary Conference." Among the Conference speakers was Father Leo Hetzler, C.S.B. 5T2 of the English Department of St. John Fisher College, Rochester, N.Y.

Professor Sam Solecki has recently edited, and contributed to, *The Achievement of Josef Skvorecky*, University of Toronto Press.

Professor Janine Langan, St. Michael's Professor of Christianity and Culture spoke to the annual autumn workshop for the priests of the Archdiocese of Toronto on the workshop theme of "The Family." At last year's workshop Professor Langan and Professor Mark McGowan, also a Professor in the Christianity and Culture Programme, spoke on the conference theme of the use of the new *Catechism of the Catholic Church*.

St. Michael's alumni and alumnae will delight in the profiles of St. Michael's French faculty researched and written by Professor Mariel O'Neill-Karch 6T2, assisted by Father Richard Donovan, C.S.B. 4T7, which appear in *French Studies at the University of Toronto 1853-1993*, a recently published departmental history which records in text and photos the evolution of the teaching of French at the University of Toronto. Orders for the volume should be sent to Custom Publishing Service, UoT Bookstore, 214 College St., Toronto, Ont, M5T 3A1, or FAX (416) 978-7242.

◀ Work has begun on changes to the parish hall of St. Basil's Church; this is the first stage of the complete updating and renovation of the Clover Hill building announced in the last issue of the alumni newsletter. Related to this major renovation is the interior remodelling of Windle House (House 5) on Elmsley Place. The ground floor of Windle House will be the site of the parish offices until the Clover Hill project is completed; the house will become a Basilian residence, replacing residence accommodations no longer available in Clover Hill.

Some 20 alumni and alumnae attended the estate planning seminar arranged by Maude McCarty, Director of Development, on 17 November. Cathi Massel Brayley 7T9 and Sean Foran 8T2, both of the firm of Morris Rose Ledgett, provided insights into ways in which legacies can be increased and taxes decreased. Other estate planning seminars are planned for the future. ➔

Father Frank Mallon, C.S.B.: sixty priestly years celebrated

Sunday 13 November was a special day at St. Michael's. The man who for many years has photographed College reunions and other events was himself photographed—over and over again. Why? Father Frank Mallon, C.S.B. was celebrating the sixtieth anniversary of his priestly ordination, and over four hundred family, Basilian confreres and other friends came to celebrate with him, to wish him *ad multos annos*—and to take his picture.

The Jubilarian was Principal Celebrant at a concelebrated Mass of Thanksgiving in St. Basil's Church. Archbishop Aloysius Ambrozic, Archbishop of Toronto, Bishop Pierce Lacey, and Bishop Robert Clune, Auxiliary Bishops of Toronto, were in attendance. Father Robert Barringer, C.S.B., Superior General of the Basilian Fathers, preached the homily and noted the priestly quality of Father Mallon's life and his dedication to his Community, his family, and to the whole of the Church. The Mass was followed by a very crowded and joyful re-

ception, and then a dinner for the Mallon family, at which Bishop Arthur Brown, former Auxiliary Anglican Bishop of Toronto, reminisced about Father Mallon's days at Assumption College in Windsor.

The St. Michael's Alumni Association joins

with his many other friends in thanking Father Mallon, of the Class of 2T9, for his sixty years of priestly service, and in wishing him many more years of picture taking; what would we do without him—or who would know for sure *what* we did?

Dr. Mimi Marrocco 6T9 reappointed Director of Continuing Education

Last April, the Collegium of the University of St. Michael's College voted unanimously to reappoint Dr. Mimi Marrocco 6T9 as Director of the Division of Continuing Education for a further five-year term.

Since its foundation in 1986, the Division has grown steadily from its "pilot" phase of a single lecture series per term (1985-86) to its 1994-95 programme of over 40 courses, seminars and workshops, some of which are offered in off-campus locations; more than 3000 adult learners have participated in continuing education at St. Michael's, many on an ongoing basis; enrolments have increased from an initial one hundred and sixty to nearly a thousand a year.

While most of the courses are offered for "interest" only, four Certificate programmes have been approved by the Senate of the University of St. Michael's College and are now available: Certificate in Youth Ministry Studies; Certificate in the "Catechesis of

the Good Shepherd", co-sponsored by the Catholic Office of Religious Education of the Archdiocese of Toronto; Certificate in Health Care Leadership, co-sponsored by the Catholic Health Association of Ontario; Certificate in Ecology Education Leadership, co-sponsored by the Elliot Allen Institute of the St. Michael's Faculty of Theology.

As the senior "partner" in Catholic education in Ontario, St. Michael's offers workshops, courses and seminars designed specifically for Catholic educators and trustees. Some 500 teachers from the four participating Boards (Metro Separate, Dufferin-Peel, Durham Region, and Simcoe Separate) took advantage of this partnership last year.

The Alumni Association congratulates Dr. Marrocco on her reappointment and on the success to date of the St. Michael's Division of Continuing Education.

Debating Union enjoys world class success

By Michael Doyle
(SMC Debating Union)

Members of the St. Michael's College Debating Union returned recently from Princeton University, site of this year's annual World Debating Championships. Thanks to assistance from the St. Michael's alumni through the Annual Fund, the Union was able to send a total of three teams to the championships, St. Michael's largest representation ever. It turned out to be the best ever representation as well.

Grace McSorley and Michael Doyle rode an impressive record through nine rounds of fierce competition to a forty-first place finish in a field well in excess of two hundred sixty teams—the highest finish for St. Michael's to date. The other two St. Michael's teams of Tim O'Leary and Karl Kahandaliyanage, and of Kate L. Barrette and Gregory Zimmer were also a credit to the College.

"The Worlds" were the midpoint of a very active and successful year for the Union, which has begun its training sessions for the North American and National Championships later in the spring term. Observers are welcome: Tuesdays, 4:00 P.M. in Teeley 200.

Finally, the Union wishes to express its thanks to the alumni and to the St. Michael's Administration for their support; it is the backbone of our success.

On 13 October President Richard Alway and Alumni Director Robert Madden, C.S.B. travelled to New York City, where St. Michael's was well represented that evening, first at a 5:00 P.M. reception for UofT graduates and then at a larger reception, organized by the Canadian Club of New York for Canadian university graduates living in the New York area.

The UofT reception afforded alumni and alumnae the opportunity of meeting Dr. Jon Dellandrea, newly appointed UofT Vice-President of Development and University Affairs and Chief Development Officer, and Ravi Frankle, UofT Director of Alumni and Development. Both receptions took place in the Princeton Club of New York in downtown Manhattan. After his own remarks, Dr. Dellandrea called upon President Alway and Trinity Provost Robert Painter to speak to the group.

On Sunday afternoon 28 May at 2:00 P.M. in Brennan Lounge Father Owen Lee, C.S.B. will give his seventh St. Michael's Alumni Association Opera Lecture; he will speak on Poulenc's *Les Dialogues des Carmélites*, the moving and dramatic tale of the execution of Carmelite Sisters during the French Revolution.

Since his last Alumni Opera Lecture in 1993, Father Lee has been honoured by the University of Windsor with a Doctor of Humanities degree *honoris causa*, received an "Excellence in Teaching Award" from the UofT Faculty of Arts and Science, and used his 1993-94 research leave to finalize a collection of his "Live from the Met" commentaries, recently published by Oxford University Press with the title *First Intermissions*. He also completed a new book on the Latin poet Virgil—and, of course, attended several opera performances in Europe and North America!

Father Lee's previous Alumni Opera Lectures have been, "Four Operas of Verdi," "Wagner and the Greeks," "Mozart's *The Magic Flute*," "Richard Strauss' *Ariadne auf Naxos*," "Richard Wagner's *Die Meistersinger*," and "Fidelio: Beethoven's Act of Faith." We look forward to his reflections on Poulenc's *Les Dialogues des Carmélites*. Students and alumni remember our war dead

On Sunday 6 November alumni and alumnae joined with students at the 11:00 A.M. College Mass to remember those who lost their lives in war, particularly graduates of St. Michael's who are commemorated in the St. Michael's War Memorial in the slype between More and Fisher Houses. Father David Bittner, C.S.B., St. Michael's Chaplain, was the principal celebrant and Father William O'Brien, C.S.B. 4T3 was the homilist. After the Mass the congregation processed to the War Memorial, where, after a period of silence, James O'Brien 5T0 offered a prayer, Michael Chard, a St. Michael's student and grand-nephew of one of the veterans commemorated in the War Memorial, laid a wreath at the memorial, and Alexander Reford 8T4, Dean of College, played "Reveille" and the "Last Post." The ceremony was fol-

SPORTS SHORTS

☞ Sad to say, despite St. Mike's efforts to maintain the league, there was no Mulock Cup competition this year; there were too few other Colleges or Faculties able to field teams. The Cup was donated in 1894 by Sir William Mulock. St. Mike's first competed for it in 1897, but it was not until 1930 that we won it. We repeated in 1939 and again in 1948. It was twenty-five years before the College captured the Cup again. With Lex Byrd as Coach and with the support of Father John Kelly, through the late '70's, through the '80's, and into the '90's St. Michael's was a power to be reckoned with and won the Cup several times. In 1994 we won the Cup in its one hundredth year and for the third year in a row. Hopefully, the great Mulock Cup tradition will soon be re-established.

☞ The SMC Men's Division II Rugby team won the championship of its division.

☞ At a ceremony on 29 September in the UoF Athletic Centre the following eight St. Michael's Varsity Blues athletes were awarded T-Holder Academic Excellence Awards for achieving First-Class Honours in their academic studies and a First Colour Award for athletic performance during the 1993-4 session: Darlene Collins, Johana Janelle, Russell Jones, Catherine McKenna, Nicholas Rudzik, Lori Ryan, Janine Vogel, Mark Wendling.

☞ St. Michael's student and former resident Jeff Adams won the gold medal in the 800m Wheelchair race at the Commonwealth Games in Victoria, B.C., last August; he also won the Chrysler National Wheelchair Marathon Championship and was awarded a customized van. Studying English and Philosophy, Jeff has finished three years towards his B.A. degree. He competed in the 1992 Olympics and in other international races and hopes to compete in the 1996 Olympic Games. Jeff is the grandson of Rory 3T8 and Rita Burke Egan 3T8.

Spring Reunion '95

There'll be
some changes made!

Attention Classes 2T0, 2T5, 3T0, 3T5,
4T0, 4T5, 5T0, 5T5, 6T0, 6T5, 7T0:

In response to suggestions from alumni and alumnae, the Spring Reunion programme at the University of Toronto will be expanded. The Spring Reunion schedule will be extended to include the late afternoon and evening of Thursday 1 June to provide opportunities for an increased number of intellectual, social, and cultural events. Further information and registration forms will be sent to the members of the honoured years in good time to make reservations.

Just remember, reserve 1-4 June on your calendar for Spring Reunion at St. Mike's and the UofT.

Also, this year St. Michael's, with the UofT, is inaugurating a Spring Reunion Giving Programme. Members of St. Michael's honoured years, 2T0, 2T5, 3T0, 3T5, 4T0, 4T5, 5T0, 5T5, 6T0, 6T5, 7T0, will be given the opportunity of making a special Reunion gift to the College's Annual Fund to mark their anniversaries. Honoured year members will soon receive a mailing about this reunion gift possibility. *Gifts received through reunion giving will purchase books for the John M. Kelly Library; the books purchased will bear a bookplate marking them as a gift of your class.* Whatever your response can be to the Spring Reunion Giving Programme,

Come Back to St. Michael's for Spring Reunion '95!

St. Michael's events begin on Friday evening 2 June at 8:30 P.M. in Brennan Lounge with a Cash-bar reception and complimentary hot-cold finger food buffet. On Saturday evening there will be a 6:30 P.M. cash-bar reception followed by dinner at 7:30 P.M. in the Assembly Hall of Brennan Hall. The weekend will conclude on Sunday morning with the annual Spring Reunion Mass at 11:00 A.M. in the College Chapel and a complimentary brunch at 12:00 Noon.
